

ORDER FORM for Bulkley Valley Farm-Raised Meat

Please fill in the approximate quantity of each item you want and then return the form to us.

We will check what cuts we have (finding weights as close to your requests as possible).

We will fill in the exact weights on the form and e-mail it back to you with a total cost.

You can then

a) amend the form and e-mail it back to us to adjust; OR

b) approve it and e-mail it to us as your final order.

For large orders (like a whole goat), we will ask for a deposit.

For smaller orders, please bring payment with you when you come to pick up.

A fee to cover the shipping and time spent to organize the orders will be added to the total (\$0.25/lb).

We will deliver to your town as soon as the orders weigh enough to justify the drive.

We will let you know several days (a week or more if possible) before we are planning to deliver.

You will need to meet us at a central location on the date & time scheduled (we'll have a window of several hours so it shouldn't be inconvenient).

You will need to bring:

- 1) a container for your order (bag or box -- all the meat will be properly wrapped); and
- 2) a credit card (Mastercard, Visa, or American Express); or
- 3) cash; or
- 4) if your order totals less than \$100, a tap-debit card (we can't swipe debit cards).

Your payments will be processed on the "Square" system, which is secure, and will show on your card statement as paid to "Narnia Farms". Narnia will distribute the full payment to each farmer for her meat.

You can cancel your order at any time prior to us contacting you with our delivery date, but any desposit will be forfeit.

If you have a question, please e-mail: narniafarms1995@gmail.com
